

Summer 2025 INTRODUCTORY FIGURE SKATING ACADEMY SCHEDULE

This class is designed for skaters between the ages of 4 and 8 (boys aged 9) that show a natural affinity for figure skating. With a curriculum aimed at developing solid fundamentals in a fun, progressive and sequential manner, skaters are prepared for entrance into Skate Canada’s STARSkate or Competitive Skate Programs. Our coaches introduce figure skating specific skills to include edges and turns, beginning jumps and spins, performance, and off ice training.

This Summer, we have two 2-week camp options to choose from. Skaters **may** choose to skate one or both summer camps. Registration for each week has your skater on the ice Monday to Thursday (4 days) both weeks. In IFSA, it is recommended that your skater choose a minimum of 1-camp in June and/or 1-camp in July. Being off the ice from April until August is not advised.

****Skater must be 8 years old or younger (boys, 9) as of July 1, 2025**
