

INTRODUCTORY FIGURE SKATING ACADEMY (IFSA)

Winter 2026 PROGRAM SCHEDULE

This class is designed for skaters between the ages of 4 and 8 (boys aged 9) that show a natural affinity for figure skating. With a curriculum aimed at developing solid fundamentals in a fun, progressive and sequential manner, skaters are prepared for entrance into Skate Canada's STARSkate or Competitive Skate Programs. Our coaches introduce figure skating specific skills to include edges and turns, beginning jumps and spins, performance, and off ice training.

Skaters **must** choose to skate **2 days per week** at minimum. A third skating day is recommended for accelerated progress.

****Skater must be 8 years old or younger (boys 9) as of July 1, 2025**
